

Real Estate Institute of British Columbia

Announces the

George M.C. Whyte Award Recipient

The BC Association of the Appraisal Institute would like to congratulate Daniel Jones of Campbell & Pound who received the REIBC—George M.C. Whyte Award.

This award was established in 2000 in memory of the late George Whyte, an active supporter of REIBC and former chair of the Real Estate Council of BC. Judi Whyte, RI (Past President) presents this award annually to recognize an individual who best exemplifies the giving spirit of REIBC and the Make-A-Wish Foundation of BC and Yukon.

Daniel is a longstanding RI and Vancouver Chapter Director who has consistently supported the endeavours of the Institute. Also an avid golfer, Daniel shared in the workload as a past committee member and continually steps up to the green with a golf sponsorship. Thanks Dan for your ongoing support and all your hard work.

Congratulations Dan!
